

## QUALITY POLICY

Form: LJS-F-046

Issue: 005

Date: SEP 2023

Our strategy is to grow our business by building strong, lasting relationships with our clients and suppliers. We have an experienced team, who procure, store and manage the repairs of quality aircraft parts.

We are committed to providing quality aircraft parts that are competitively priced, shipped on time, meeting customer and regulatory requirements.

To achieve this the business has fully implemented a Quality Management System that meets the requirements of ISO9001:2015, AS9120B, FAA Advisory AC00-56B and ASA-100 rev 5.

Furthermore, we are fully committed to the continual improvement of our Quality Management System
